

October GMS of the Month

Tabiona Elementary

Principal: Robert Park

School Coordinator and Mentor: Becky Lefler

To fulfill Mental Health Focus Area Criteria #1 students at Tabiona Elementary in Tabiona, Utah have been learning about “Caring”. They put their new knowledge to action when they participated in a Walk for Katrina in conjunction with Walk to School Day.

On their Walk to School Day, Thursday September 15, 2005, students were dropped off at the graveyard so that they could walk the rest of the way to school. A donation jar was available for all students and community members to make donations for Hurricane Katrina survivors. The students of Tabiona raised \$217.00 and walked a total of 150 miles! With their donations students were able to purchase backpacks, teddy bears and school supplies for young survivors of Hurricane Katrina.
